Who We Are

About Us

The Post Graduate Institute of Hospital Administration (PGIHA) under the aegis of the B. K. Roy Foundation, in its Endeavour to provide a professional course in hospital administration, started Masters in Hospital Administration (MHA) course way back in 2006 with the affiliation of the then WBUT (since renamed as Maulana Abul Kalam Azad University of Technology, WB). With a view to extend this curriculum in graduation level, the Institute has now initiated BBA (Hospital Management) under the same University. This Institute is the only one in West Bengal having facility for on-the-job training for students in Group's own multi-specialty Hospital, the Peerless Hospital. BBA (Hospital Management) is a Four-year full-time Bachelor Degree Course conducted under the continuous supervision and guidance of Maulana Abul Kalam Azad University of Technology, WB (formerly WBUT).

The demand for trained and qualified Hospital Administrators is very high in India and abroad. All the students of this course are exposed and trained in highly sophisticated, state-of-the-art and professionally managed corporate hospitals. Consequently, the pass out students of our institute are eligible for good placement in Government as well as reputed private hospitals and in healthcare consultancies. The Institute also provides the opportunities for graduate students to pursue Master's degree here.

MISSION

In the perspective of globalization of Indian Economy, the service sector and especially the Healthcare sector has received a tremendous momentum for growth. Healthcare management has become extremely complex. A rapid growth in healthcare technology in recent years not only necessitates knowledge for the all over functioning of Hospitals but also needs to develop effective high quality health care delivery system for our patients.

VISSION

We Endeavour to provide excellent educational and academic ambience conducive for higher learning by setting up centers of excellence and instilling a sense of ethics and value-system among the students. We are committed to provide opportunities to the students to develop their full potential and professional growth and spread the light of higher education.

Inauguration 2006

"The moment I have realized God sitting in the temple of every human body, the moment I stand in reverence before every human being and see God in him- that moment I am free from bondage everything that binds vanishes, and I am free."

The Legacy

Late Radhashyam Roy

Late Radhashyam Roy, an idealist and a visionary with a strong spirit of nationalism, founded The Peerless Insurance Company Ltd in the year 1932 at Narayanganj. Spurred by unflagging determination, unswerving dedication and undaunted courage of conviction Shri Roy led the Company from the front and it emerged as a leading Provident Insurance Company in the country. Since then the Peerless Group has come a long way to eventually emerge as India's oldest and largest Residuary Non-Banking Financial Company.

The new era in corporate leadership

Shri Radhashyam Roy

After the passing away of the Founder Shri Radhashyam Roy, his eldest son Shri Bhudeb Kanti Roy, popularly known as B K Roy, the architect of modern peerless, came forward to fill the void, and took over the affairs of the Company. A charismatic and dynamic leader, Late B K Roy ushered in a new era in the corporate history of Peerless. It is basically owing to his dynamism and foresight, that the Company took rapid strides towards success and growth.

The Man and his motto

Mr. S. K. Roy

After Shri B K Roy, Shri Sunil Kanti Roy, his brother, took over the reins of the Peerless Group and under his stewardship, Peerless expanded its activities in the area of healthcare. He envisioned the coming of the new era in healthcare and established Peerless Hospital & B. K. Roy Research Centre, now widely known as Peerless Hospital to materialize the passion of legendary brother, Sri B. K. Roy. With a visionary zeal he led the Peerless Group into new ventures in the area of technologically advanced modern patient care backed by constant technological innovation and the deep sense of service to humanity. Shri S. K. Roy understood the need of skilled personnel in the field of healthcare and hospital administration. Under his stewardship a well-equipped college of nursing, physiotherapy and allied services, essential requirements for hospital treatment and management, was established by the Group under the aegis of B. K. Roy Foundation.

Today's Inspiration

Mr. Jayanta Roy Managing Director

of PGFI

"I am proud to state that the Post Graduate Institute of Hospital Administration is moving ahead following the core objectives of B K Roy Foundation. I believe, in today's industrial arena and in future too, the sector like healthcare plays a very vital role. Thus the healthcare establishments require good administrative support in addition to medical infrastructure. Considering the gravity of availability of requisite qualified manpower, our institute stepped forward to produce the administrative manpower imparting state-of-the-art courses that yields students ready for placement. Consequently so many passed out students undertake the major administrative roles in government and corporate hospital across India. I earnestly look forward to seeing the institute more effective and a center of excellence in Hospital Administration."
